

PETERBOROUGH'S AIRPORT BUSINESS PARK

Ideal for Maintenance, Repair & Overhaul (MRO) Businesses

- Longest civil runway (7000 ft) between Toronto and Ottawa - supports Boeing 737-900 and Airbus 320 operations
- \$40M in airport infrastructure investments for business
- No curfews; environmental approvals in place for MRO construction
- Overnight couriers to major centres
- Robust supply chain including: Fixed Based Operator (FBO), MRO, parts suppliers, and service providers
- Canada Border Services Office

HIGHLY QUALIFIED PROFESSIONALS

- On-site pilot training at Seneca College's School of Aviation and WM Aero
- Major centre for skilled trades development at the Fleming College's Kawartha Trades & Technology Centre
- Located in close proximity to the University of Ontario's Institute of Technology for expertise in engineering and applied science
- Trent University's Centre for Biomaterials Research is successfully completing a project on an aerospace related product

Supportive Business Community

- Access support from Peterborough & the Kawarthas Economic Development for business planning, resources, funding opportunities, and incentives
- A diverse higher-tech manufacturing supply chain (50 members) through the Kawartha Manufacturers Association (KMA)
