ADDENDUM 1

RFQ PKED2017-04:

Website Design, Development and Maintenance for the Trent Research and Innovation Park

Please see below clarification for information provided in the original RFQ document distributed on July 31, 2017.

1. **Section 5.1.3 Photo/Image Gallery**

It is intended that the Photo/Image Gallery will showcase images related to specific events held at the Trent Research and Innovation Park and that it will provide images for media use.

2. **Section 5.1.4 Media and Media Room**

It is intended that the Media Room will provide blog style updates on news and events from a functional standpoint and that it will also house more formal versions of news in the form of media releases.

3. **Change in Key Dates and Tasks**

- a. Interviews with successful applicants, if required, will now be conducted on August 31 (originally August 29).
- b. RFQ Award and Notice to Proceed will now take place on September 1 (originally August 31).

Thank you for your interest in this project.
